My friend
London: 18th 8th Mo. 1681

There is one great God & Father that hath made
the World & all things therein, to whom you & I owe all
Duty & owe him love and well doing and to whom
you & I must one Day give an account for all that
wey do in the world. The great God hath bestowed his
Love on our hearts, by which we are enabled to know
the Love & Will of God to our greatest and best benefit
Honor & Profit and to do his Will.

I shall therefore give to you my offer
at that time, may may freely & largely explain
the grounds of this matter, in the best manner I can
myself, and I trust it will be to your great benefit
